

DownloadThat

Creator & partner program

Recommend an app your community will actually use.

An Android app that saves videos, audio and images from almost any site directly on your device — no cloud, no ads, no account. Tap share, pick DownloadThat, done — that's all your audience has to learn.

The product

- ✓ Video, audio (MP3) & images
- ✓ Whole playlists at once
- ✓ Up to 4K quality
- ✓ 100% on-device — no cloud upload
- ✓ No ads, no tracking, no account
- ✓ Downloads keep running in the background

The commission — transparent tiers
